Anti-Slavery Rooms } Boston May 13<sup>th</sup> 1839.  
25 Cornhill. Boston }

Dear Friend

The undersigned, committee of arrangements, earnestly request you to be present at the New England Anti Slavery Convention, to be held in this city, on the 28<sup>th</sup> of the present month, at 10 o'clock A.M. in the Marlboro' Chapel.

The committee extend this invitation at the present time, under a peculiar sense of the importance of your presence to aid us in the deliberations of the convention that the cause of emancipation may receive a new impetus.

There has not been, since the note of emancipation was first sounded, so much need of wisdom, prudence & brotherly love, in our deliberations as at the present time, that those arrayed against the interests of our cause may have no occasion to rejoice.

Subjects of a practical bearing relative to the cause of emancipation will be brought before the convention..

Respectfully Yours for the oppressed,

Wm Lell Phillips, } Committee of  
Oliver Johnson, } Arrangements.  
J. A. Collins. }
